

# Report of the auditor-general to the Eastern Cape provincial legislature and the council of Joe Gqabi District Municipality

## Report on the consolidated financial statements

### Introduction

1. I have audited the consolidated and separate financial statements of Joe Gqabi District Municipality set out on pages ... to ..., which comprise the consolidated and separate statement of financial position as at 30 June 2015, the consolidated and separate statement of financial performance, statement of changes in net assets, cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as the notes, comprising a summary of significant accounting policies and other explanatory information.

### Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these consolidated and separate financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA), and the Division of Revenue Act of South Africa, 2014 (Act No. 10 of 2014) (DoRA)], and for such internal control as the accounting officer determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor-general's responsibility

3. My responsibility is to express an opinion on these consolidated and separate financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the consolidated and separate financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated and separate financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated and separate financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of

accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated and separate financial statements.

5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## **Opinion**

6. In my opinion, the consolidated and separate financial statements present fairly, in all material respects, the financial position of Joe Gqabi District Municipality and its municipal entity as at 30 June 2015 and their financial performance and cash flows for the year then ended, in accordance with SA standards of GRAP and the requirements of the MFMA, and DoRA.

In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report findings on the reported performance information against predetermined objectives for selected development objectives presented in the annual performance report, compliance with legislation and internal control. The objective of my tests was to identify reportable findings as described under each subheading, but not to gather evidence to express

assurance on these matters. Accordingly, I do not express an opinion or conclusion on these matters.

### Predetermined objectives

13. I performed procedures to obtain evidence about the usefulness and reliability of the reported performance information for the following selected development objectives presented in the annual performance report of the Joe Gqabi District Municipality for the year ended 30 June 2015:

14. I evaluated the reported performance information against the overall criteria of usefulness and reliability.
15. I evaluated the usefulness of the reported performance information to determine whether it was presented in accordance with the National Treasury's annual reporting principles and whether the reported performance was consistent with the planned development objectives. I further performed tests to determine whether indicators and targets were well defined, verifiable, specific, measurable, time bound and relevant, as required by the National Treasury's *Framework for managing programme performance information* (FMPPI).
16. I assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
